3	use coins in a real life situation	Student completed work
4	use notes in a real life situation	Student completed work
5	compare the physical size of coins.	Student completed work

1 recognise 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2 coins

- Which is the most valuable coin?
- What is the least valuable coin?

2 recognise £5, £10, and £20 notes

Write the value of the notes.

Which is the odd one out?

• Which coin should I use?

• Which coin should I use?

• Which coin should I use?

• Which coin should I use?

• How can I pay for the rocking horse?

• How can I pay for the truck?

• What note would I use to pay for the truck?

• Could you work out the change you would receive from using that note?

• What note would I use to pay for the book?

• Could you work out the change you would receive from using that note?

5

compare the physical size of coins.

Measure with a ruler the size of the coins in real life- If you do not have one of these coins at home. Can you research this online?
