

Planning your own Music Festival 2

You are going to organise a Music Festival. Use these questions to help you plan it.

- 1) What would the *theme* of your Music Festival be?
- 2) What might it be called?
- 3) What kinds of performers might you have?
- 4) What date (roughly) or time of year would it be?
- 5) What venues would you consider?
- 6) How long would your Music Festival be?
- 7) Would you invite performers or would you hold auditions?
- 8) Who would be in the audience?
- 9) How would you advertise it?
- 10) Would you decorate your venue? If so, how?

11) Would you have a 'host'? Who would it be?

12) How much would you charge for tickets?
