Interview Practice

This sheet is designed for you to use with a family member at home.

They can ask you the questions and you can have a go at answering them.

They may not be the exact questions you are asked - but they are likely to be similar.

Try and practise a couple of times to help your confidence.

1. Tell me about yourself.
2. Why did you apply for this course?
3. Do you have any work experience?
4. What are your favourite classes/subjects?
5. What are your career goals?
6. Are you involved in any extracurricular activities?
7. Why are you interested in this course?
8. If your teachers were here, what would they say about you?
9. What are your strengths and weaknesses
