Planting plants in the garden

Equipment

|					
Gloves	Hand Trowel	Plant pot/Hanging basket	Plants	Soil/Compost	Small stones

1 Put on your gardening gloves (if you have gloves)
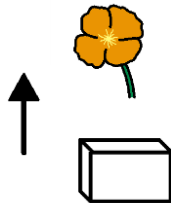

**2** Put in enough stones to cover the bottom of the plant pot (about 10)

**3** Put soil or compost, into the pot, fill half the plant pot

4 Remove flower from plastic holder

5 Place the flower in the middle of the pot

6 Fill the pot around flower with the compost

7 Push down the compost around the flower with your hands

8 Water the flower
