

Mowing the lawn

Equipment

Lawn mower

Sensible clothes

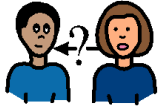

Ear defenders (optional)

Goggles (optional)

1

Make sure you have your parent's permission to use the lawn mower

2

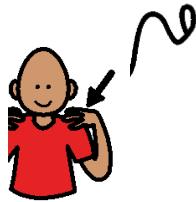

Plug the lawn mower plug into a socket or extension lead

3

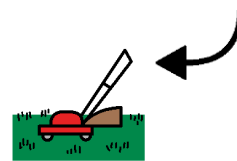

Put the lawn mower where you want it on the grass

4

Put the lead over your shoulder

5

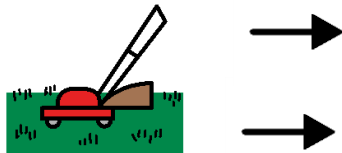

Turn the lawnmower on

6

Move the lawn mower up and down the lawn

7

Try to keep it in a straight line

8

Turn off and unplug the lawn mower and empty the container when it is full

Continue until all of the grass is cut
