

Making Toast

Equipment

Toaster

Plate

Knife

Ingredients

Bread

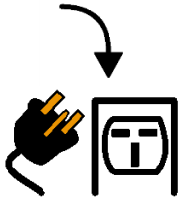

Butter

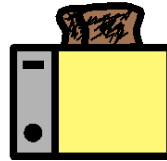

Spreads

1

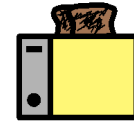

Plug in your toaster

2

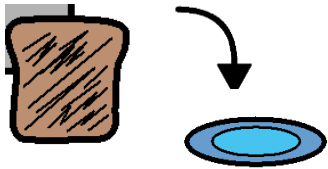

Put a slice of bread in the toaster

3

Wait for the slice of toast to pop up

4

Once it has popped up (remember it'll be hot)
put the toast on a plate

5

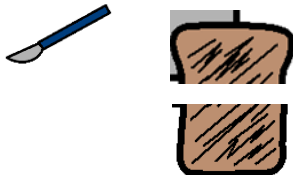

Spread butter on the toast

6

If you want to, add a spread to your toast.

7

Cut the toast in half with the knife

8

Tidy up, clean and put equipment away
