

Hoovering

	Full adult support needed	Some adult support needed	Step completed independently
1. Plug in the hoover			
2. Turn on the plug socket			
3. Turn the hoover on			
4. Move the hoover backwards and forwards over the area that needs cleaning			
5. Use the extendable attachment (if you have one) to go under furniture			
6. Once the area is tidy, turn off the hoover			
7. Turn off at the wall and unplug the hoover			
8. Put the hoover away			

What went well?

Next time, it would be even better if:
