

Watch the YouTube clip of the Good Samaritan story:

The beaten man was helped by a stranger when others just ignored him. A 'Good Samaritan' is someone who will help anybody in need without being asked.

Task choices:

- Write a story about a time when you have been a Good Samaritan.
- Be a Good Samaritan at least 3 times! Maybe you could help with the washing up, share things with your brother/sister or make a cup of tea for a parent. Take pictures of your acts of kindness.
- Make an acrostic poem (I have started an example below) describing what a Good Samaritan is.
