

Feeding the animals

	Full adult support needed	Some adult support needed	Step completed independently
Collect equipment needed			
1. Make sure your pet bowls are clean			
2. Put the bowls and pet food on the kitchen side			
3. Put the pet food into the correct bowls			
4. Put the bowls down where your pet normally eats			
5. Put all of the rubbish in the bin			
6. Once your pets have finished eating, pick the bowls up and give them a wash			

What went well?

Next time, it would be even better if:
