

<p><u>Use your logins</u> Reading: Bug Club Maths: Timestable Rockstars Spelling: Spelling Shed Try and use these at least once each week.</p>	<p>Complete 30 minutes of exercise per day- follow an online video or can you complete a mile in your house/garden?</p>	<p><u>BBC Bitesize</u> BBC Bitesize has new daily lessons including videos from teachers and celebrities! Each week we will recommend a few lessons we would like you to try or you can choose a lesson that interests you each day. 😊</p>
<p><u>VE day celebrations</u> We will be celebrating 65 years since VE day on Friday 8th May. Have a look at what VE day is and why it was celebrated. Perhaps look at completing a couple of activities:</p> <ul style="list-style-type: none"> - you could try making a war time recipe - create a peace display/poster that show people should be kind to each other - create a medal for a soldier 	<p><u>Quiz masters</u> Can you challenge your family members or share a challenge with a teacher by creating a wordsearch, crossword or a quiz for others to try?</p> <p>Think about your special interests. Could you make a Fortnite wordsearch or a Pokemon quiz?</p>	<p><u>Art activities</u> There are lots of Youtube clips to help you to draw. Maybe you would like to create some origami? There are some arts and crafts activities that you can find and do with people in your household. One website (although there are lots around) is this: https://www.easypeasyandfun.com/crafts-for-kids/</p>
<p><u>Practice Mindfulness and Yoga</u> Similar to Go Noodle, Imoves website also offers a range of different videos to support children with keeping active, being mindful and stretching. There are some great Mental Health and Well being resources on this website including Meditation. https://imoves.com/the-imovement</p>	<p><u>Virtual Trips</u> Visit a zoo from the comfort of your own home. Google a zoo that you know and have a look at what they have to offer. Examples of zoos include: Chester Zoo, Glasgow Zoo, Smithsonian Zoo. Take a look at them and see what they have to offer. Some even have fun activities as you are watching.</p> <p>Kew Gardens also has a Virtual tour and there are some projects that you could also try. Miss Woodhead recommends the Heroes and Villains (the website is: https://www.kew.org/learning/learning-at-home) . You look at different types of mushrooms (some poisonous) and make a comic book cover/poster based on what you learn.</p>	<p><u>Science Experiments</u> Blue Peter Presenter and author of "Must have book of the year" called 'Cookie' has a range of videos with fun Science experiments you can do at home and a guide to show you how to do magic tricks to impress your family!
