

## Year 6 Week 4

<p><b><u>Use your logins</u></b>          Reading: <b>Bug Club</b>          Maths: <b>Timestable Rockstars</b>          Spelling: <b>Spelling Shed</b>          Try and use these at least once each week.</p>	<p>Complete <b>30 minutes of exercise</b> per day- follow an online video or can you complete a mile in your house/garden?</p>	<p><b><u>BBC Bitesize</u></b>          BBC Bitesize has lots of activities. Have a look at the Year 6 recommendations for the week. You can choose from these or choose your own from Year 5 or 6.          Try to complete one activity a day.</p>
<p><b><u>Lego/building challenges.</u></b>          Have another go at some building challenges. Imagine you are creating a new theme park. Can you create one out of lego (or other materials such as cardboard, tin foil etc).</p>	<p><b><u>Virtual Trip</u></b>          Ever wondered what the Houses of Parliament look like on the inside?          Have a look at the virtual tour. The website is: <a href="https://www.parliament.uk/visiting/virtualtour/">https://www.parliament.uk/visiting/virtualtour/</a>          Journey through and see some really cool statues. If you would like, create a fact file or a leaflet once you have completed the tour.</p>	<p><b><u>Baking/cooking</u></b>          Have you had a look at the website for some ideas to make in the kitchen? On the school website you can find the teachers helping you to create things like making toast, making omelettes and making a cup of tea. Could you treat someone in your family to breakfast?</p>
<p><b><u>Art activities</u></b>          Art challenge- select a random object (e.g. a broken pencil, smarties, a banana- Anything). Create a drawing or painting that incorporates that object. Here is an example:</p> 	<p><b><u>Hiit Workout</u></b>          If you haven't already, take a look at the PE videos on the website. Mrs Ayre has completed a Hiit workout especially for all of you at Stansted. Have a go and see if you can keep up.</p>	<p><b><u>Outdoor fun</u></b>          The National Trust have created a "50 things to do before your 11 <math>\frac{3}{4}</math>". Have a look at all the different ideas that they have got. Can you complete any of these by yourself or with your family? Miss Woodhead has also been cloud watching- what shapes can you see?          If you want to know how to do any of them then please look at this website:  <a href="https://www.nationaltrust.org.uk/features/50-things-to-do-before-youre-11--activity-list">https://www.nationaltrust.org.uk/features/50-things-to-do-before-youre-11--activity-list</a></p>
