

The Battle of San Romano

c.1438-40

by Paolo Uccello

Term 6 Art project WEEK 2

Before you complete this weeks task, finish your story/news report from last week

Email a copy/photo of it to:
office@grangepark.kent.sch.uk

LO: To be able to analyse a painting

Paolo Uccello, *Niccolò Mauruzi da Tolentino at the Battle of San Romano*, c. 1438-40, Rm 59 The National Gallery, London

TASK:

1. Look carefully at the painting - pay close attention to the shapes and lines
2. Answer the questions on slides 5, 6 & 7
3. Draw a part of the painting that you like the most and explain why. Write two sentences.

Email photos of your work to office@grangepark.kent.sch.uk

Keep your work in a safe place and bring it into school in September

Shape and space

Answer these questions:

1. Which different shapes can you see in the painting?
2. Which shapes are sharp, and which are smooth?

Answer these questions:

3. Which shapes make you stop and look at them?
4. Which shapes look like they're coming out of the painting at you?
5. How many different shapes can you see?

Did you find these shapes?

Which ones do you find the most interesting?
