

The Berlin Wall

The USSR part
of Berlin was
called the
Communist East.

People were
happier in the
Communist zone.

The Berlin Wall
went up in 1951.

The wall was
carefully planned
so no families
were split up.

Some people
jumped from
their windows to
escape the wall.

Guards shot
every person who
tried to escape
over the wall.

There was
graffiti on both
sides of the wall.

The Berlin Wall
was broken down
by trained
builders only.

The Berlin Wall
started to be
broken down in
1989.
