This **NEW UPDATED** practical training course is specifically designed for you if you are working in primary and secondary schools with pupils with autism or a social communication need. You will learn about the changes in the diagnostic criteria and how to manage pupils with sensory conditions in the classroom.

It will provide you with a broad overview into good communication practice with those with autism and has plenty of 'hands on' activities which help to apply the learning and makes the course very interactive.

This training will provide you with:

- A wealth of information and an opportunity to share experiences with other teachers and teaching assistants
- Practical advice and strategies which are easy to implement in the classroom and wider school or environment
- Language Builders for Verbal ASD, a practical resource containing an abundance of tips, ideas and strategies
- Registration with OCN London to enable you to achieve accreditation at level 2 or 3
- Access to Elklan's unique online learning log, allowing you to complete and submit your coursework online

Tea and coffee will be provided and parking is available on-site.
