

Grange Park
School's Right of
the week.

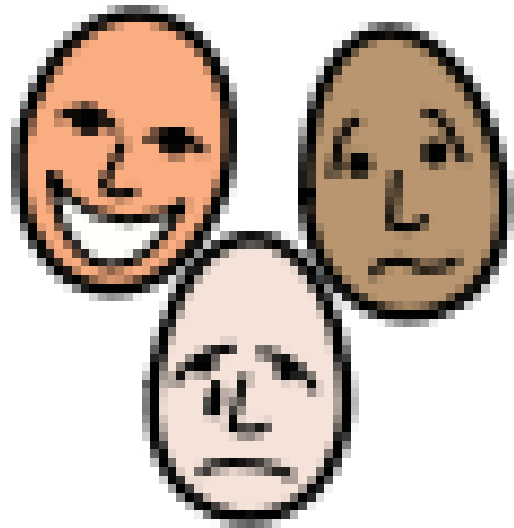

29.

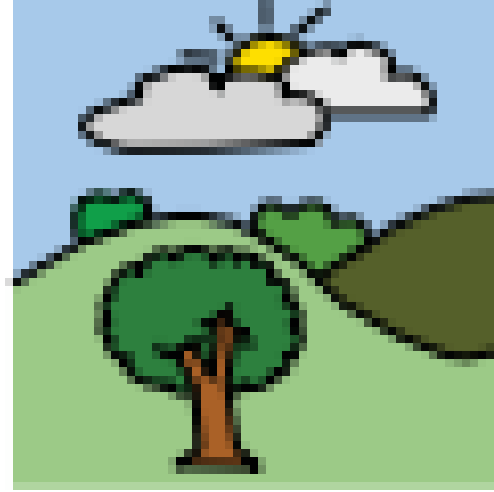

I have the right to an education which develops my personality, respect for others' rights and the environment.

Education should develop my respect for
human rights.

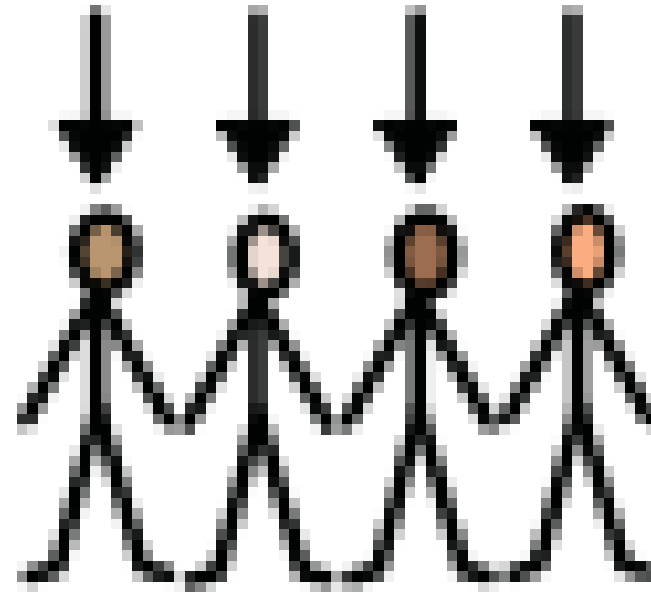

It should develop my personality and talents.

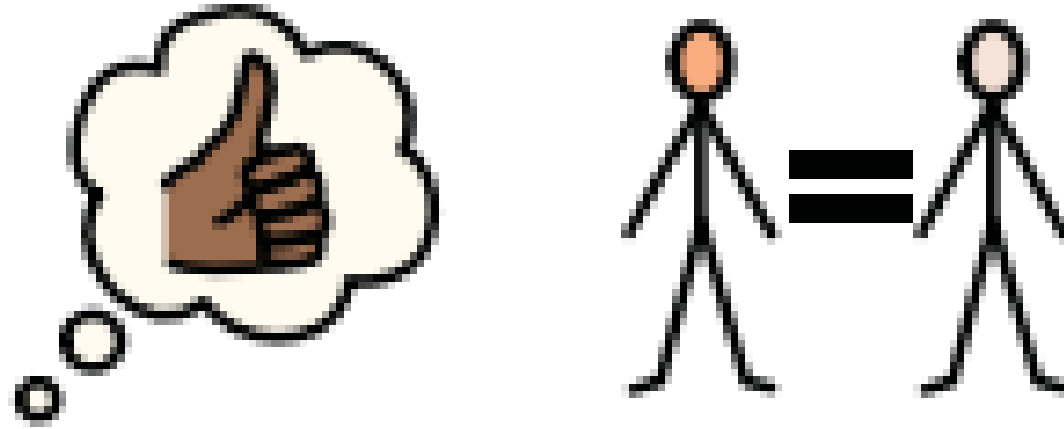

Education should develop my respect for
the natural environment.

It should encourage me to respect my
parents, my own and other cultures.

In school, we can develop our personality, talents and abilities. Having opportunity to take part in school plays and concerts can help us do this.

Have a look at your targets on your tick sheets.

What can you do this week to achieve some of these?

These will help develop your talents and personalities.

Discussion points:

- Do you think this is an important right and why?
- How is this right being met at school?
- Is there anything as a school we can do to ensure this right is met?
