Tuesday 22nd March is World Water Day

World Water Day takes place on 22 March every year. It is an annual United Nations observance, started in 1993, that celebrates water and raises awareness of the 2 billion people currently living without access to safe water.

A core focus of World Water Day is to inspire action towards Sustainable Development Goal (SDG, also known as Global Goal) 6: water and sanitation for all by 2030.

24.

I have the right to good quality health care, to clean water and good food.

I have the right to good quality health care and to clean water.

I have the right to nutritious food and a clean environment so that I can stay healthy.

Rich countries should help poorer countries achieve this.

these rights facts, and the
winners are....

Lissy(Yr8), Grace (Yr9), Israel and Henry (Yr11)

Discussion points:

-Do you think this is an important right and why?

-How is this right being met at school?

-Is there anything as a school we can do to ensure this right is met?
