

Grange Park
School's Right of
the week.

2. All children have these rights

The UNCRF applies to everyone whatever their race, religion, abilities, whatever they think or say, no matter what family they come from.

Governments should respect and ensure my rights in the UNCRC without discrimination of any kind.

Governments should take measures to make sure that I am protected against discrimination.

We all have rights and shouldn't be treated unfairly no matter who we are, where we live, what language we speak, what our religion is, what we think, what we look like or what our background is.

How do you make sure you do not discriminate against anyone?

Our difference make us who we are
- all of us are unique! Sadly, some
people may face challenges and
discrimination because of their
difference. It is important to
celebrate and value the uniqueness
of others.
