Conclusion

The curriculum is wide and varied

All students have the opportunity to achieve at Grange Park with teachers creatively finding subjects and accreditations that can inspire students to achieve at all ability ranges.

The qualifications are built upon throughout the whole of Key Stage 4 with a stepped approach so students can develop.

Students are engaged and want to learn and the mix of practical learning as well as classroom based learning inspires the students to want to do well.

All students feel a sense of achievement.

Students are able to progress to the next step of their education.
