

Example of a Reward System

The proposed system is as follows.

- Pupils will still earn blue stickers for exceptional behaviour. These behaviours consist of:
 - Outstanding manners
 - Respectful of themselves
 - Respectful of others
 - Respectful of the environment
 - Helpful to others
 - Being a positive role model
- Blue stickers carry a points' value which pupils can 'spend on rewards
- Each sticker is worth 5p and can only be 'spent' at the points threshold e.g. 20 blue stickers. Pupils can save their points by banking them. If points are banked they cannot be spent until the next threshold e.g.40 blue stickers
- Each pupil will be given a certificate with the value to spend on it
- Pupils can spend their money using a catalogue of prizes set up by Grange Park School. Prizes will be age-appropriate
- Some pupils have been able to achieve 60 blue stickers in just over 2 months so 200 blue stickers should be a target for all
- When pupils reach 100 blue stickers, they will receive a centenary certificate
- When pupils reach 250 blue stickers they will receive a Super Achievement certificate
- When pupils reach 500 blue stickers they will receive an Outstanding Achievement certificate
- When pupils reach 1000 blue stickers they will receive a Grange Park Ultimate Achievement certificate.
- Pupils who reach 150 blue stickers by June will have a choice of 2 trips voted by the school each year.

Certificates

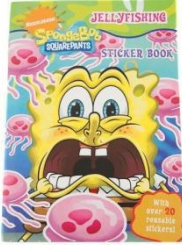

Certificates	20	40	60	80	100 Centenary	250 Super Achievement	500 Outstanding Achievement	1000 Grange Park Ultimate Achievement
Money awarded	£1	£1	£1	£1	£1	-	-	-
Banked points	£1	£2	£3	£4	£5	£12.50	£25	£50

Prizes
