

Either written or on the computer create a leaflet like the one I sent in Module 6, advising others in any topic of your choice, some ideas are:

- Health Issue
- Bullying
- What to do in your local area.

Make sure you make it eye catching and interesting for the reader.

This YouTube video explains how to write a leaflet:

Write a detailed letter to any company you would like to work for, explaining why they should employ you.

You must include facts to your letter

- Why would you be the best person for the job?
- What experience have you had in the industry?
- Your qualifications
- Your skills that fit the role.
- Some key facts about you.

Formal letter writing guidance can be found at:

Review a song, game or website. Focus both on the aspects that work well and the areas for improvement (at least 2 of each). Record your comments in writing.

Produce an article for our school newsletter, giving others ideas of what they could be doing during Lockdown to keep themselves entertained.

Complete this on a different sheet of paper, you could add pictures of ideas and use the internet to find some ideas. I look forward to reading them.
