

**Hi Year 11!**

The first task I have for you is to begin to put some ideas down for your yearbook! You can have one or two pages and ideas on what to put on them is coming up further in the document. Ultimately you want this to be something you can look back on and help you remember all the good things, as well as something that your class mates will look at and remember you by!

Have a go at putting something together. If you are unsure get an adult to drop me an email or a call and I will do what I can to help.

I would love to see your first drafts by Friday 1st May please

Keep safe,

Miss Underhill

## **Yearbook Ideas 2020**

Your yearbook page (or pages - you can have the maximum of 2) should include one or two sentences for each of the following headings:

### **What will people remember about you?**

**Eg:** 'I was most known for being the kid who had all the up to date fashion accessories; by designers and being the person who continually had their phone and music on! I was a bit of a rebel, but I was only pretending!'

### **What is your favourite memory of school?**

**Eg:** 'The most memorable moment in school was telling a joke to Mrs Shaddock about being delirious because you cannot think straight and the class laughed including Mrs Shaddock.'

### **What did you dislike about school?**

**Eg:** 'The thing I hated most about school was homework because I get every piece of homework during lessons: ICT, Science, English and Maths.'

### **Who was your favourite teacher and why?**

**Eg:** 'My most memorable teacher was Mrs Taylor because she made me laugh and she organised a lot of revision sessions.'

**Write about something funny you remember happening in school or on a school trip**

**Eg:** 'The funniest thing I remember at school was when someone tried to stick a poster on the wall with glue and then tried to kick Regan because he was laughing at her.'

**What were you like when you started at the school and how have you changed?**

**Eg:** 'Back in year 7 I was shy. I was also beardless, had more hair, was very shy and very cute. I have grown into a confident, polite and a good looking young man.'

**What are you proud of achieving at school?**

**Eg:** 'When I waxed my legs it felt so good because as much as it hurt it was good to see everyone finding it funny to watch me be in pain, but me knowing I raised £237 for breast cancer. It made me feel really proud.'

**What have you found the most difficult to learn or deal with at school?**

**Eg:** 'The biggest setback was getting crosses for lessons - I hate them!'

**What is the most important thing you have learnt at school? It does have to be to do with a subject, but can be if you like.**

**EG:** 'A lesson learnt: Never, ever, ever, get on the wrong side of Mr Sim!'

**Write about your favourite trip:**

**Eg: 'Lion King Musical Trip March 28<sup>th</sup> 2018**

It was a special day because I thought I would never see the Lion King musical for a second time. I enjoyed it as much as I did the first time. I just wish that Disney could film a performance of the musical and then release the recorded performance onto DVD, so then we can watch the musical whenever we want.'

**What are your hopes and dreams for the future?**

**Eg: 'MY GOALS:**

- Become FAMOUS
- Make everyone HAPPY
- Be on TV or MOVIES'

**Create your yearbook page(s) – the exact layout is up to you:**
